MEN HIGH IN LABOR CIRCLES MAY SOON BECOME INVOLVED

CONFESSIONS OF McNAMARAS MAY BRING REAL SENSATIONS

EVEN PRESIDENT GOMPERS IS
SAID TO BE SHADOWED BY
DETECTIVES FROM THE
BURNS AGENCY.

LOS ANGELES, Dec. 5.—James
McNamara was today sentenced to
life imprisonment at San Quentin.
John McNamara was sentenced to
serve 15 years.

LOS ANGELES, Dec. 5.—Under
the terrible pressure which has been
brought to bear upon the McNamara
brothers since their recent confes-
sions it is said they will reveal the
name of every member of the "dynamite
circle," which for years has
terrified the nation and been the sub-
ject for many investigations by grand
juries.

It is said the McNamaras will
make a complete confession in re-
turn for lighter sentences to be
meted out to them. The confessions
are expected to strike in very high
circles and involve officials high
in international labor circles.

It is known that messages have
been received by the McNamaras
saying, "Don't be squealers;" "Take
your medicine and keep your mouths
shut," and messages of the same
tenor. Special Assistant Attorney
General Lawler is now here to re-
present the Federal government.

It is reported today that the Mc-
Namara have already furnished the
district attorney's office with infor-
mation that will result in several ar-
rests within a few days. The arrests
will be made by the state or state
warrants. Chief Counsel Clarence
Darrow for the defense today ad-
mitted that he knew from the first
that the men were guilty, but that
he had hopes of saving them.

James McNamara's Statement—

The brief confession of James Mc-
Namara, written with a fountain pen
and bearing evidence the man is
little skilled in letters, was made
public today and is as follows:
"I, James McNamara, defendant,
having heretofore pleaded guilty to
murder, desire to make this state-
ment of facts, and this is the truth:
On the night of September 30, 1910,
at 5:45 p. m., I placed in the ink al-
ley portion of the Times building a
suit case containing 16 sticks of 80
per cent. dynamite, set to explode
the next morning. It was my inten-
tion to injure the building and scare
the owners, but I did not intend to
take the life of anyone. I sincerely
regret these unfortunate men lost
their lives. If giving my own life
would bring them back I would gladly
give it, in fact in pleading guilty to
murder in the first degree I have
placed my life in the hands of the
state. JAMES B. McNAMARA."

This is probably the only written
statement concerning the case given
by the writer or his brother.

Gompers is Shadowed—

NEW YORK, Dec. 5.—President
Samuel Gompers of the American
Federation of Labor leaves for Wash-
ington tonight. Gompers declares he
is being shadowed by two detectives
of the William Burns agency, but
that he has no fears because all of
his acts are and have been open and
above suspicion.

"All of this talk about a national
conspiracy makes me tired," said
President Gompers today. "Organ-
ized labor here and everywhere
stands for peace and advancement.
We are not a band of bomb throwers
and do not believe in violence of
any kind. All talk about Detective
Burns being in personal danger at
the hands of organized labor is non-
sense."

TAKES NO CHANCES ON MURDERER

SENTENCED TO BE HANGED WITH NO CHANCE TO ESCAPE

NEGRO PRISONER IS SHOT IN
FACE BY BROTHER OF MUR-
DERED MAN AS JUDGE PRO-
NOUNCES SENTENCE.

WASHINGTON, Ga., Dec. 5.—T.
B. Walker, the negro murderer who
recently made his escape the day he
was to be hanged, was brought here
today, taken into court and ordered
to be hanged this afternoon at 3 o'clock.

Walker was found guilty of mur-
dering Charles Hollenshead. As the
judge resented the criminal John
Hollenshead, a brother of the mur-
dered man, shot the negro in the
face. The prisoner was not badly
injured, however, and was hanged
according to the sentence of the judge.
After John Hollenshead fired the
shot at the negro prisoner he
collapsed, a nervous and physical
wreck and is in a critical condition.

ST. PETERSBURG, Dec. 5.—It is

and are plundering the city. It is
reported that one foreign missionary,
who resisted the looting of the Ger-
man hospital, was killed by the
rebels.

**MORE COTTAGES ALREADY
OCCUPIED THAN USUAL.**

Real estate men report that more
cottages are already rented than is
usual at this season of the year. In
fact they point out that as a rule
more houses are vacant on the first

at this time.

CONTINUANCE IS GRANTED SMITH TRIAL

NEW FACTS ARE SECURED BY ATTORNEYS FOR STATE

TRIAL OF CASE WILL NOW PROB-
ABLY GO OVER TO THE SPRING
TERM OF CIRCUIT COURT
AT GAINESVILLE.

(Special)

GAINESVILLE, Dec. 5.—The case
of Sheriff E. L. Smith took rather
a sudden turn today when State At-
torney A. V. Long at the opening of
court stated that he had secured
new facts since the date of the trial
was set, but which could not be
given at this time, and, in justice
to the state, he asked for a continu-
ance. The continuance was granted,
although the attorneys for the de-
fense insisted on proceeding with the
trial at this time.

The trial attracted large crowds of
people from Volusia and Putnam
counties and much interest is man-
ifested in the case. The case may
come up for trial at the spring term
of court, although no specified time
was given by the court in granting the
continuance.

Sheriff Smith of Volusia county
shot and killed William McCaskill on
Lake George in Putnam county a few
weeks ago while, it was alleged, Mc-
Caskill was engaged in fishing in
violation of the law. The case was
transferred from Putnam county to
Alachua county upon motion of at-
torneys for the defense, who claimed
the defendant could not get a fair
trial in Putnam county.

Had the trial proceeded here to-
day State's Attorney Long would
have been assisted in the prosecu-
tion by Syd L. Carter of this city
and Judge V. Walton of Palatka,
while the defense would have been
represented by Alex St. Clair Abrams
of Jacksonville, A. G. Hartbridge of
Jacksonville, C. D. Landis of De-
Land, Evans Halle and Thos. W.
Fielding of Gainesville.

ing. He has been at the county seat

COLONEL WOODBURY IS HERE FOR OPENING OF RIDGEWOOD

NEW MANAGER OF HOTEL AR-
RIVES FROM VERMONT TO SU-
PERINTEND PREPARATIONS
FOR THE SEASON.

Colonel E. P. Woodbury, manager of
the Ridgewood Hotel and member of
the Ridgewood Hotel Company, arrived
Monday afternoon from Burlington, Vt.,
to prepare for the opening of
the hotel and the handsome new
coquina rock addition. Colonel
Woodbury was accompanied by
W. L. Day, of
Ogdensburg, N. Y., who will act
as night clerk
at the Ridgewood hotel. Four car-
loads of furnishings for the hotel
are now at the railroad depot ready
to be installed, which work will be
done by the Bingham & Maley Com-
pany of this city. A recent issue of
the New York Hotel Review in not-
ing Colonel Woodbury's departure for
Daytona and commenting on the pur-
chase of the hotel property here
says:

"Colonel Woodbury, who is widely
known in the hotel fraternity, is to
personally manage the house, arriv-
ing there about December 1. He has
been manager for the Van Ness
House in Burlington for several years
and will return about May 1 to again
take up his duties at this hotel. He
is vice president of the H. M. M. B.
A. for the state of Vermont, and a
director in the New England Hotel
Men's Association. He attained his
rank of Colonel on the staff of Gov-
ernor George H. Prouty of Vermont,
after serving fifteen years in the
National Guard of that state. He is
a native of Burlington, Vt., where
he was born in 1876."

spected negro farmer and lynching
two of his daughters.

After the killing the slayers burned
the three bodies on a load of the

try is aroused.

LOCAL STANDARD OIL AGENTS RESIGN WITH ROCKEFELLER

CONRAD & OATES GIVE UP

Following so closely upon the an-
nouncement that John D. Rocke-
feller, Henry M. Flagler and other
officers of the Standard Oil company
had resigned their offices and re-
turned from active participation in
the affairs of the company as to in-
dicate the local agents might be
heavily interested in a financial
way in the company, comes the an-
nouncement that Conrad & Oates
have given up the agency of the
Standard Oil company in Daytona.

Harry C. Thompson is to be the
new agent for the Standard company
in this city and will take charge of
the affairs of the company Dec. 15.

**TOOK CHARGE SUNDAY OF
ST. MARY'S CHURCH.**

The Rev. Robert A. Tuft, recently
of Bradford, Pa., took charge of the
Episcopal church in this city Sun-
day. He delivered a sermon there
some time ago but the Sunday ser-
vice was the one at which he for-
mally took charge.

Sunday was a day of communion
and special music had been provided.
A large congregation gathered to
hear Mr. Tuft, and his talk was ex-
ceptionally well liked by all present.
Mr. Tuft is a guest at the Morgan
house for the present and will be
joined by Mrs. Tuft in a few days.

\$50,000,000 IS WANTED EVERY YEAR

FOR RIVERS AND HARBORS THROUGHOUT THE COUNTRY

VARIOUS WATERWAY ORGANI-
ZATIONS TO HAVE DELEGATES
AT CONVENTION IN WASHING-
TON BEGINNING TOMORROW.

WASHINGTON, Dec. 5.—The
eight annual rivers and harbors con-
gress opens here tomorrow for a
three days' session and its conven-
tion is attracting particular attention this
year because of the fact that the
recent congressional elections have
turned the house over to the dem-
ocrats and the backers of the water-
ways movement have put forth every
effort to obtain a large and important
delegation to impress the legislators
with their strength.

A permanent appropriation for the
improvement of waterways through-
out the United States is the object
of the present convention and Rep-
resentative Joseph E. Ransdell, pres-
ident of the organization, after view-
ing a partial list of the delegates al-
ready in Washington, said today that
he hoped to impress upon the sixty-
second congress the necessity of
continuing the policy of an annual
rivers and harbors appropriation bill
adopted by the last congress.

The delegates have rallied to the
call of the eighth rivers and harbors
congress with a readiness that
will make the coming convention one
of the most largely attended in the
history of the organization, but some
doubt is expressed among politicians
as to its ability to sway the well
known democratic determination to
cut expenses in favor of its recom-
mendations. Representative Ransdell
stated today, however, that the large
attendance on the forthcoming con-
vention plainly shows the attitude
of the people in regard to this mea-
sure and that he hopes for favorable
results in his fight for the perma-
nent annual appropriation.

Among those who will address the
convention in favor of an annual
rivers and harbors appropriation bill
are Senator Duncan U. Fletcher of
Florida, president of the Mississippi-
to-the-Atlantic Inland Waterway asso-
ciation, and Congressman Stephen M.
Sparkman of Florida, chairman of the
house committee on rivers and har-
bors.

The national rivers and harbors
congress advocates a policy that will
provide regular and adequate appro-
priations of not less than \$50,000,000
annually for the next ten years, to
be spent upon the preserving water-
ways of the country, without regard
to any special section or any special
project.

L. M. WAITE HEADS BOARD OF TRADE

NEW OFFICERS ARE CHOSEN AT MEETING LAST EVENING

ORGANIZATION TAKES ON NEW
LEASE OF LIFE AND PRE-
PARES FOR BUSY SEASON DUR-
ING THE WINTER MONTHS.

The Daytona board of trade took
on a new lease of life at the annual
meeting at the city hall last even-
ing. A new set of officers was
elected and the organization will be
constantly alive and bustling for the
best interests of the city during the
coming year.

The new set of officers chosen at
the annual meeting are as follows:
President—L. M. Waite.
Vice president—E. L. Gunn.
Secretary—R. L. Smith.
Treasurer—F. N. Conrad.

Board of governors—R. E. Stevens,
W. C. Smith, T. E. Fitzgerald,
F. M. Rowe, who has served the
young organization as its executive
head during the first year of its ex-
istence, and whose efforts to make
the society a help in boosting and
bettering Daytona and vicinity have
earned him the thanks of the mem-
bers of the board and every citizen
of this city and vicinity, declined to
accept the office for another term,
declaring one year in service is
enough.

There was a good attendance at
the annual meeting last night and
the new officers have been assured
the hearty support and co-operation
of the members in carrying out the
work for which the board was or-
ganized last winter.

The board is enthusiastic over the
opportunity for advertising the city
and its natural advantages offered
by the visit of the delegates of the
Association of American Passenger
Agents here the afternoon of Dec.
31, and the 250 visiting agents will
be well entertained during their stay
in Daytona. A committee consist-
ing of R. L. Smith and W. C. Branch
was appointed to solicit funds
to defray the expense of the enter-
tainment, and a committee consist-
ing of T. E. Fitzgerald, S. H. Gove
and Geo. H. Gardiner was appointed
to act with a like committee from
the Hotel Men's Association of Day-
tona in entertaining the visitors.

The entertainment will consist of
meeting the delegates at the depot
when they arrive in the special
train from the north at 1 o'clock in
the afternoon, taking them to the
automobile club house in automobiles
and treating them to a buffet
luncheon at the club. Following the
luncheon the delegates will be given
an automobile ride about the city
and vicinity and on the beach, and
will be turned over to the hotel men
to entertain for supper. The special
train bearing the passenger agents
will leave for Palm Beach at 9
o'clock in the evening.

The new sign placed at the depot,
calling attention to the fact that
Daytona is the prettiest winter re-
sort in the world, is plainly seen
from the train in the day time, but
is invisible at night. Geo. F. Smith
was appointed to confer with Man-
ager E. L. Gunn of the electric com-
pany in regard to having lights
placed over the sign so it will show
up plainly at night, and it is prob-
able the sign will be well lighted in
future.

The park benches, which were a
source of much comfort to tourists
during the winter last season, will
soon be placed in the park along the
river bank on the east side of
(continued on page two)

L. M. WAITE HEADS BOARD OF TRADE

(Continued from first page.)

Beach street. The benches are now being given a coat of fresh paint, but will soon be in condition to place in the parkage.

The poorly lighted condition of the depot, which has been a source of much annoyance for many years, was again brought to the attention of the members of the board of trade and the secretary was instructed to write the officials of the Florida East Coast railroad to see if there is any possible way in which to secure better lighting of the local depot.

The next meeting of the board will be held the evening of Dec. 18, when the new officers will have charge.

REV. DR. R. A. CARNINE

AT FIRST BAPTIST CHURCH.

Rev. Dr. R. A. Carnine, district superintendent, preached to a good congregation in the First M. E. church Sunday night.

Dr. Carnine occupied the pulpit of the Daytona Beach M. E. church Sunday morning and Mrs. Carnine, who accompanied him here, delivered an address at that church in the evening in the interest of the Home Missionary Society. They departed Monday afternoon for DeLand, where Dr. Carnine will be engaged for some time assisting the pastor of the DeLand church in a series of revival services.

TEN YEARS AGO.

From the Gazette-News, of Dec. 7, 1901.

Judge Charles Alexander Hamilton, a prominent winter resident of the peninsula, died Friday night of the week previous, so it was recorded in the Gazette-News of that date. He had lived here for about five years and previous to his coming was a prominent lawyer of Wisconsin, having been judge of one of the superior courts of that state shortly after the war.

Mrs. Ann Balough died at her Seabreeze home Tuesday of that week. She had been a resident of this vicinity since 1875.

The drug store of W. F. Gille, Jr., & Co., was entered by a sneak thief Wednesday evening of that week and a sack containing \$50 was stolen.

Lesley & Titus that week opened a pool and billiard room and quick lunch stand in the Seminole building.

The Gazette-News of that issue was enjoying a good advertising patronage but of all the advertisers only one of them has carried an advertisement in the Gazette-News ever since—the Bond Lumber company. Most of the business houses in Daytona at that time have been succeeded by others, or the firm names have at least been changed in nine cases out of ten.

John Y. Detweiler of New Smyrna, contributed an article to that issue protesting about floating piles and other obstructions in the Halifax river.

A legal notice in the German language was published that week. It was in reference to the estate of Franz Burmeister, who was drowned in the Halifax river in 1885.

Huge Ropes of Human Hair.

In north Japan is an enormous temple, the timbers of which were hauled from the mountains and put in place with ropes made from the hair of the women of the province. From these tresses, which were brought forth by an edict, two ropes were made—one 17 inches in circumference and 1,400 feet in length, while the other was 11 inches in circumference and 2,600 feet long.

SOME BIG SWEET POTATOES AND LARGE YIELD PER HILL.

E. R. Kindig reports a rather remarkable yield of sweet potatoes to the hill and from a single vine, raised on his house lot on First avenue. The soil is light sand and no fertilizer was used, except rotted leaves. The summer, too, was one of very light rainfall, yet a single vine in one instance produced six tubers weighing respectively seven pounds, five pounds one ounce, two pounds eight and one-half ounces, two pounds three and one-half ounces, one pound ten and one-half ounces and one pound one ounce, or a total of nineteen pounds eight and one-half ounces to the hill. Another hill, with a single vine, yielded fifteen pounds, the largest potato tipping the scales at seven pounds and one ounce and the smallest weighing just eight ounces.

The successful comedy, "The Chorus Lady" by James Forbes will make its appearance at the Daytona theater, Thursday evening. Contrary to the meaning suggested by the title it is not a musical play, though a dozen girls are carried by the company, but a neat little drama told in a concise, entertaining way, possessing a happy combination of the laugh and the tear, and bearing a strong moral lesson. The leading part is that of Patricia O'Brien, a wise, slangy, sophisticated girl.

Crane, who conducted a needlecraft shop adjoining the Edmondson & Donnelly real estate office last winter, arrived Saturday and will continue the business in the same location this season. PEDESTRIAN RUN DOWN
BY AN AUTOMOBILE

REV. J. L. WILSON HAD NARROW
ESCAPE FROM DEATH OR SE-
RIOUS INJURY MONDAY AF-
TERNOON.

Rev. J. L. Wilson of Baker street,
was run down by an automobile
driven by Ben Clifton, Monday after-
noon on West Second avenue, and
was painfully bruised about his
hips and shoulder, but sustained no
broken bones.

The accident occurred shortly af-
ter 3 o'clock as Mr. Wilson was mak-
ing his way westward on Second av-
enue, west of the railroad, and just
as he was crossing a narrow street
running northward at Williams' hall,
Midway. Mr. Clifton was coming
east on Second avenue in a Cadillac
runabout and turned northward into
this side street. The left front wheel
struck Mr. Wilson and threw him
directly in front of the machine,
which passed over his body, the
sprocket of the rear axle catching
him and dragging him for several
feet, before Mr. Clifton could bring
the car to a standstill, although he
was running at only a moderate rate
of speed at the time.

Mr. Wilson's body was twisted
and doubled up as he was dragged
forward by the car and he was
bruised and his clothes badly torn.
Mr. Clifton jumped from the automo-
bile as soon as he could stop it and
pulled Mr. Wilson from under it and
tried to place him on his feet, but
he was suffering too much for him
and begged to be laid down. Justice
M. H. Zuber, who was near at hand,
also came to his assistance, as did
others, and he was made as comfort-
able as possible with a cushion from
the auto for a pillow, until he felt
somewhat easier.

Mr. Clifton offered to take Mr.
Wilson to his home, but this he re-
fused, although he later accepted a
similar offer made by Arthur Yel-
vington and was taken to his home
in the delivery wagon of the Halifax
Furniture company.

Dr. Roy Howe was summoned and
found Mr. Wilson suffering from
bad bruises on hip and shoulder,
but no bones broken, and he will
probably be all right again after a
few days' rest and quiet.

Mr. Wilson says he was on the
north, or right hand side of the
street at the time of the accident
and that Mr. Clifton did not blow
his horn in warning, before turning
into the side street, at the same
time making the turn too short and
abrupt.

The Gazette-News representative
was unable to find Mr. Clifton and
get his version of the accident.

*Get it at Lesene's.

Avoid Instilling Fear.
Fear is the guardian instinct of
life. On the other hand, animals
that are too timid, so that even the
familiar becomes too suspicious, can-
not get their food and cannot leave
a progeny; they become eliminated
by the process of natural selection.
There is a certain amount of trust
that nature demands even of its most
defenseless and timid children.

A Precious Rosary.
A miner forwarded from Alaska to
Sister Mary Claire of St. John. N. B.,
a rosary made of linked gold nuggets,
which is to be presented to Cardinal
Gibbons on the occasion of his gold-
jubilee in October. The only ro-
sary of the kind is said to be in the
possession of Pope Pius X.

Human Sacrifices Still.
In some parts of Syria the peasants
believe that doctors and druggists
have a right to kill one man and one
woman every year to make medicines
out of their bodies. A druggist whose
establishment was boycotted because
he was thought to have tried to mur-
der a boy, brought suit against the
boy's parents for their interference
with his trade, but he received no
damages, as it was recognized that
the adults were believers in the old super-
stition.

Deception.
"There are times when a person
can scarcely believe his eyes." "Es-
pecially when he is an amateur mush-
room gatherer."

Indigestion Gone
Digestit Did It

MONTGOMERY, Ala. T. M. Hays
writes: "I have tried many prescrip-
tions and a lot of patent medicines
and received more benefit from a
package of your Digestit than all
the other medicines. I was troubled
with heart burn, sour stomach and
a burning in my chest and everything
I ate hurt me, but now I can eat any-
thing I want, and that heart burn
and sour stomach have disappeared.
I have recommended your medicine
to many sufferers and cannot say too
much for your wonderful remedy. I
endorse every word you say about it.
I feel good today and owe it to your
excellent medicine."

As an "After Dinner" tablet to
relieve or prevent that full uncon-
fortable feeling after eating a
hearty meal, there is no better rem-
edy than Digestit—it digests the food
and prevents fermentation. 50c at
CHURCH, DRUGGIST.

Fad of Shoe Collecting.
A girl in Radcliffe college has an in-
teresting collection of shoes or slip-
pers from every country in which she
has traveled, including the gold and
silver slippers of Russia, the patent
leather of Germany, the embroidered
slippers of the Tyrol, and a large col-
lection of wooden shoes.

Cholo Indians of Peru are a
simple, docile people, although semi-
savage in the remotest districts. They
have the usual characteristics of
mountainers, poetical temperament,
tinged with melancholy and tainted
with superstition. They are extreme-
ly hardy and courageous. A Cholo
will make long and fatiguing journeys,
abstaining altogether from food for
days at a time, sustained almost sole-
ly by the cocoa leaves, which are
chewed in the same manner as the
Kaffirs of South Africa eat the kola
nut under similar circumstances.

Good and Bad Luck
ON AUTOMOBILE TRIP.
Among the guests at the Gables
hotel on Volusia avenue is an auto-
mobile party from Bradenton, near
Tampa, since starting on the trip to
the Savannah races has met all
kinds of luck, both good and bad.

The party is composed of Mrs. J.
Gelfor Edmondson, Miss Esther Ed-
mondson, Sarasota; Harry L. Land,
Bradenton. Immediately after
starting on the trip things started
to go wrong and it was first one
thing and then another. At one point
a shump was struck resulting in a
bent axle, and other mishaps were
encountered which made them behind
in their schedule.

At this point the ferry they would
have taken near Brunswick, Ga., had
they not been delayed, sunk in the
middle of the river with four ma-
chines on board. From this time on
their luck was changed until this
city was reached and it was found
necessary to take the machine to the
Oliver garage on Orange avenue, for
repairs.

"A Smooth-Faced Man."
Today the expression "a smooth-
faced man" means, of course, in com-
mon parlance, one who shaves and
does not wear a beard. But a hundred
years ago it was used to describe one
who had not been pitted with small-
pox. Thus does the changed use and
meaning of a common expression in-
dicate the days when smallpox was a
common scourge.

Like Homicidal Mania.
"A man who has once murdered the
queen's English always feels as if he'd
got the body under the sofa. It's like
homicidal mania; the poor wretch
may be cured, but he lives in terror of
an attack returning. He knows it
doesn't matter what he is or what he
does; he may live like a saint or
write like an archangel; but one attack
omitted from his conversation will
wreck him at the last."—May Sinclair
